RALPH JONES

Dedication

Who has a stream of kids following him wherever he appears? Who has as much contageous and inspiring enthusiasm for living? Who has brought blessings to many through his ability to buy so much for so little while being our purchasing agent? Who else could auction off farm machinery to our studious girls for entertainment? Who has such lively, thought-provoking discussions as Sabbath school teacher? No one can qualify but RALPH JONES--to whom we lovingly dedicate this issue of "Hylights".

SO WHAT

Getting out this yearbook is no picnic.
If we print jokes, people say we're silly;
If we don't, people say we are serious.
If we clip from other books,
We are too lazy to write it ourselves;
If we don't, we are stuck on our own stuff.
If we stick to the job all day,
We ought to be out hunting pictures;
If we do get out and hustle,
We ought to be putting first things first.
If we don't print contributions,
We don't appreciate true genius;
If we do, the book is filled with junk.
If we make a change in a fellow's write-up,
We are too critical;
If we don't, we are asleep.
Now, like as not someone will say
We swiped this from some other book--
We did!
