Annual Staff

This has been a great school year 1976-1977. In some respects a year like many others; but one that is still able to catch a special niche in our memories of Hylandale Academy, such as hay rides on cold wintery nights and the special events of Girl's & Guy's Openhouse. The thing we all most love around "Hy" is the "school spirit".

So if you have caught a glimpse of this spirit as you have pursued these pages, then we will consider our job to have been worth while.

Our thanks to:
Printers & Advertisers
&
Photographers

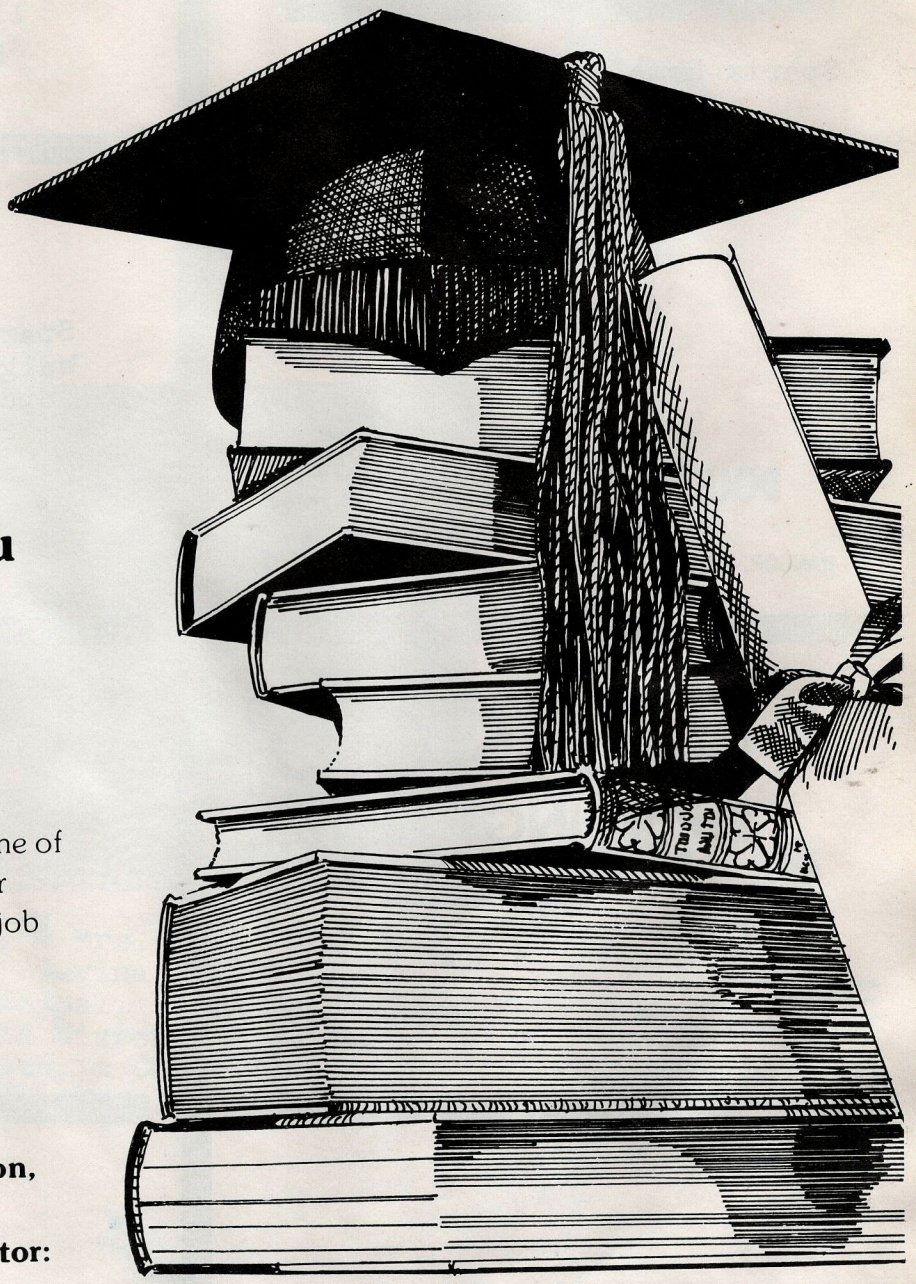

THE ANNUAL STAFF

We would like to thank Melodie Mattice for her Art Work.

What now?

You've finally graduated... but where do you go next?
